

Wealth & Finance Magazine Wealth & Money Management Awards Winners Announced

15 October 2014

United Kingdom – The complete list of winners in the 2014 Wealth & Finance magazine Wealth & Money Management Awards has been announced.

The Wealth & Money Management Awards recognize the achievements of those working within the investment and financial services community – from asset managers, wealth managers, private bankers and financial planners to brokers, banks, family offices, financial advisory firms and consultants.

The awards pay homage to the leading professionals for going above and beyond in assisting their clients with managing their wealth, planning for the future of their business or their family and for providing sound advice in all areas of finance.

Wealth & Finance has welcomed nominations for firms throughout the globe, from very small niche practices to large corporations and have ensured that those who do go on to win one of these highly sought-after awards have been selected on merit and are based upon the votes received, the further evidence supplied and based on our own in-house research.
